

15. Platypus Waterholes Walk

Walk from the Flinders Chase Visitor Centre across Black Swamp to the Rocky River, where patience may be rewarded with the sighting of a Platypus. Allow time to view the waterholes from a series of platforms, a hide and lookout. A multitude of birdlife, kangaroos, wallabies, geese, echidnas and goannas are regularly seen on this walk.

Access

This walk begins at the Flinders Chase Visitor Centre. A shorter walk (suitable for wheelchairs) to the waterholes can be accessed from a car park off Shackle Road. Please note, No toilet facilities at Platypus Waterholes car park. Refer to pages 26-29.
