

### 3. Cape Willoughby Lightstation Heritage Hike

This hike will take you into the sheltered gully of the early 1853 settlement. It will give you an insight into the early lightkeepers' lives and how their demanding routine and sense of isolation was heightened by the distance between their homes and the lighthouse.

A self guided walking trail brochure is available at the Cape Willoughby Lighthouse Visitor Centre. It gives information about the original lightstation settlement at points of interest along the trail.

#### Access

This return loop hike begins and ends at the visitor centre. Refer to pages 26-29.
