
Map of Grange Lakes Shared Use Path

Grange Lakes Linear Park

A project by the City of Charles Sturt to construct a shared path for pedestrians and cyclists between the lake in West Lakes and the River Torrens Linear Trail.

Construction started in 2014. As at mid 2017 Stage 1-3 and 5-6 have been completed. The two southern stages will be built in the future.

The shared path is 2.5 metre wide, providing an safe all-weather an accessible off-road route for a variety of users including bicycle riders, young school children, parents with prams, grandparents and the mobility impaired. The path includes public lighting.
