Trails and shared use tracks

Within the Rural City of Murray Bridge Council area there are a number of great walking and shared use trails available for the public to access.

Shared use means that a trail is made suitable for many kinds of users including walkers, cyclists, scooter, wheel chairs and prams.

This brochure highlights some of the trails on offer in Murray Bridge and the surrounding council area.

Casuarina walk

Symbols for accessibility:

Information: Casuarina Walk Reserve is accessible from Casuarina Walk and is an open walking trail that follows the wetlands. There is seating available for taking in the views and a path that leads to Parkview Reserve which has a playground and basketball half court area.

To find out more about OPAL, visit www.opal.sa.gov.au

For more information on your local parks and playgrounds, contact the Rural City of Murray Bridge on 8539 1100 or visit www.murraybridge.sa.gov.au

This brochure has been created by OPAL in conjunction with the Rural City of Murray Bridge to highlight Council parks and playgrounds and promote health activity.

OPAL is a joint program of Australian, State and Local Governments.

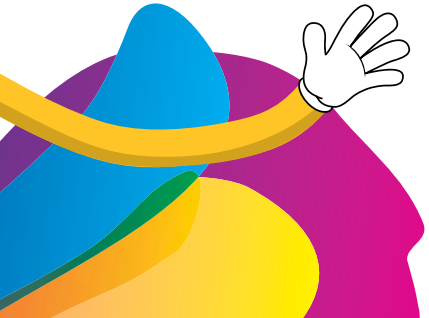
Rocky Gully Wetlands

Symbols for accessibility:

Information: Rocky Gully Wetlands is located off Mannum Road just outside the Murray Bridge CBD and is part of The Lavender Federation Trail. The wetlands are home to many native bird species and are designed so that visitors can walk in a loop and capture all the wetland has to offer.



Swanport Wetlands

Symbols for accessibility:

Information: Swanport Wetlands is a recreation reserve that covers an area of 19.4 hectares including 3.5 hectares of open water within a wetland. You are able to walk through the wetland on the board walk or sit down and have some lunch under the covered picnic area. When walking through the wetland you will be able to hear the songs of the many frogs and birds that have made this place home.
