

HIKE

MODERATE

- some moderate inclines
- irregular surface with loose, uneven base
- average level of fitness

Mulurus Hike

30 minutes return

1.25 km return

Enjoy the wildflowers and bird life along the way.

A gentle, loop hike that passes through Cup Gum woodland

Myrtaceae Hike

2.5 hours return

5 km return

A self-guided hike. Stop at the interpretive signs along the way and learn about the wildflowers and ecology of the park.

A loop hike that follows the fire track then onto an old logging track. There are some narrow, steep sections.

Heysen Trail

45 minutes one way within park

1.1 km one way within park

Passes through Cup Gum and stringybark forest abundant with birds and wildflowers.

Enters the park on the southern boundary and exits through the northern boundary into Kuitpo Forest.

Accurately estimated for an average bushwalking speed varying from 1.5 to 2.5 km/hr - allow extra time for resting and sightseeing.

-  Park boundary
-  Sealed road
-  Unsealed road
