Little Dip Conservation Park

Freshwater Lake – A Life Support System

Welcome to Freshwater Lake. This unique and secluded location is one of only a handful of small lakes in the area that are not saline.

As you walk around the lake you will be introduced to a diversity of life that thrives in the permanently moist conditions.

This 1.6 km loop walking trail is a comfortable 45 minute journey.

Remember to take:

- sunscreen, hats, sturdy shoes and drinking water.

Have a great time!
