Cape Buffon Walk

1 hr 2.5 km return

WALK

EASY
- even surfaced trail
- suitable for small children

This walk highlights how the forces of wind and waves have shaped the limestone cliffs, sea stacks and reef platforms, and the vegetation along the coast.
A variety of plant species can be seen, many displaying colourful wildflowers.

Seaview Hike

1 hr 3.5 km one way

HIKE

MODERATE
- some moderate inclines
- irregular surface with loose, uneven base
- average level of fitness

The Seaview Hike showcases a range of features along a cliff top including spectacular rock formations, sandy beaches, sea-birds, and a myriad of plants, while offering stunning scenic views of the coastal environment.

Willichum Lookout Hike

45 min 1.6 km return

HIKE

MODERATE
- some moderate inclines
- irregular surface with loose, uneven base
- average level of fitness

Willichum is the Boandik Aboriginal word for the 'southern end' of Rivoli Bay. Splendid panoramic views reward walkers who reach the lookout viewing platform.

Walk Safely

It is important that you are well prepared when walking in the park:
- wear sturdy shoes, hat and sunscreen
- carry sufficient drinking water
- keep to the defined walking trail and follow the markers
- inform a responsible person of your proposed route and expected time of return
- weather conditions can change quickly, ensure you have appropriate wet weather clothing
- do not disturb, collect or damage any animals, wildflowers, geological or heritage items.
