

## Secondhand Hiking Gear Stall at WalkFest 14/4/24

Willunga Basin Trail will be running a second-hand hiking gear stall at WalkFest on 14<sup>th</sup> April at Belair.

We welcome good quality hiking gear to sell to walkers and will raise funds for trail development particularly to progress the crossing of Peters Creek in Section 7 of Willunga Basin Trail.

You may donate goods or sell them on commission, in which case we would take 15% and pay the rest of the funds to you after WalkFest. We are seeking hiking gear – packs, raingear, poles, boots, hiking tents etc BUT not camping gear viz small light tents not large tents.

### Goods to be sold on commission

- MUST be delivered to the drop off points PRIOR to WalkFest. *See below.*
- You will need to fill in a form which includes a price label for all goods to be sold on commission and this form is to be delivered with the items.
- *Email the people below for a form, times and address for drop off.*
- Please be realistic when you set the price as people rarely pay more than 30% of the new price. You may let us know a minimum price, if you wish, as well as the asking price. This will give buyers the ability to bargain.
- You will be given a ticket when you drop off goods. *Goods not sold must be picked up by you (or agent) from the stall at WalkFest between 1 and 2 pm using that ticket.*
- You will receive a text telling you if goods have not sold. Goods not picked up will be taken as a donation.
- We will take all care with your goods, but WBT will not be responsible for loss or damage.
- You will be paid within two weeks following WalkFest 85% of the money raised by selling your goods.

### Drop off locations:

#### BROOKLYN PARK:

Ian Norman: [iannorman50@bigpond.com](mailto:iannorman50@bigpond.com)

Email **after 24th March** for form, drop off times and address.
